## CHRISTMAS NEWSLETTER

---

Hello and welcome to the latest edition of the Le Vacherin Christmas newsletter.

Once again it's that time of year when Christmas is quickly approaching. Although it seems to come around faster and faster every year, it does make the colder weather and darker evenings a little easier to bear.

Full of cinnamon scent and festive dreams, we're very happy to report that the team at Le Vacherin are busy getting ready to make your Christmas extra special.

Our Head chef is on the hunt for the fattest turkey and best ingredients he can possibly find. As well as a selection of mouth-watering dishes, there are a number of other great reasons to book your party with us over the holiday season:

- Book before the end of November and we will give you 15% off your food bill as well as a free glass of bubbly on arrival
- Every table will be dressed with crackers and name tags and the restaurant itself will be beautifully decorated by our local florist. Our famously huge tree will of course be making an appearance as well
- From the 1st of December you can dine from our party menu as well as our special prix fixe menu. There will also be an exciting à la carte menu available
- Not many restaurants are open in the area on Christmas Day so make sure you make your booking soon as tables are running out quickly

Please note that during the Christmas period, Le Vacherin will be open on Mondays at lunchtime.

Terms and conditions: for company policy, a credit card will be required for tables over 5 covers. All Christmas party menus will be available only for groups over 5.

In order to serve you better on the day, we will require food pre-order, a group booking form and drink orders in advance.

We can tailor your menus according to your needs. You are more than welcome to come down to the restaurant and discuss details over a cup of coffee.

Our primary target is clientele satisfaction: please find attached to this mail all Christmas menus and related forms.

This Christmas choose locally. We consider ourselves part of the local community and we thrive on your satisfaction. Also, Le Vacherin still holds and always will a certain "Je ne sais quoi!"

We very much look forward to seeing you over the festive season!

Kind regards,  
The team at Le Vacherin
